

No Child Without: Free MedicAlert for students

In our ongoing effort to provide safe and caring schools for our students, **Pine Street School** continues to be registered in the Canadian MedicAlert Foundation's No Child Without program. The program is a national initiative that provides no-cost MedicAlert services to children—between the ages four of 14—who have chronic health conditions. The goal is twofold: to help children with severe allergies, medical conditions or special needs and to assist schools with medical-emergency plans for students.

Once a child is registered, their school is provided with advice on a medical-emergency plan for that student and given a list of medications, allergies and medical conditions the student has. If your child has a serious medical condition or allergy and could benefit from MedicAlert services, contact the school office at **780-467-2246**.
