

Pine Street School Council is excited to offer your students Hot Lunch for the 2019-20 year! Orders will be placed online to ensure accuracy and to make the process as easy as possible.

Please head to our website www.healthyhunger.com and sign your child up! If you run into difficulty, view further instructions on our Pine Street website, www.pinestreet.ca under the 'Parents' heading and then click the 'Hot Lunch' link.

If your child has food allergies, please contact the vendor directly - prior to ordering - to make sure you are comfortable with their food handling procedures. Pine Street Hot Lunch cannot guarantee allergen free items.

The first **Tuesday** and third **Wednesday** has been chosen as our new hot lunch days to accommodate our two kindergarten classes. Please only sign your child up for the lunches that they will be at school for (they should only have access to their scheduled dates, but please double check).

Our Volunteer Parents Society would like to offer an Angel Program in conjunction with our Hot Lunch Program. The purpose of the program is to provide a hot lunch to families who may not be able to order hot lunches due to economic hardship. If your family is interested in being considered for this program (to receive a free hot lunch), please email our school counselor, Suzanne Stevens, at Suzanne.Stevens@eips.ca or contact the school office. We will select a total number of students to receive hot lunches for our Hot Lunch Program which runs from September - June. Only those families selected will be contacted. Any information given is kept **confidential**.

Please make sure to click on the volunteer box when ordering, if you can spare time that day. We cannot run this program without your help and we so enjoy hanging out with you! If you have any other questions, comments, or concerns, please contact us at pinestreethotlunch@gmail.com.
